Class Descriptions

Water class

Beginner

Intermediate

Advanced

eliminating racism
empowering women
ywca
greater newburyport

Aquacise: incorporates low impact cardio exercises and seeks to promote strength, core training, flexibility and balance. Movements are performed in the lap pool to create resistance and better range of motion. Lap Pool. 45 minutes.

AquaFit: is a mix of Gentle Glow and Strength and Core Training. Warm Water Pool. 45 minutes.

Aqua Yoga: includes a full repertoire of standing yoga postures with a focus on the importance of the breath, balance, and mind and body connection. Warm Water Pool. 45 minutes

3D Strength: is a total body workout focusing on working all your major muscle groups through all three planes of motion (front/side/back) Increase your movement literacy and gain strength, mobility, and balance. 45 minutes.

3D Core: is designed to improve the strength of your entire core with a focus on balance and stabilization through multi-dimensional, flowing movements. 35 minutes.

3D Yoga: is designed to improve mobility and stability through dynamic, multi-dimensional and flowing movements. 55 minutes

20 20 20: 20/20/20 is designed to give you the **ultimate** challenge and total body workout. Sweat through 20 minutes of **cardio**, 20 minutes of strength **training**, and 20 minutes of stretching and **core work**.

Barre Fusion: is a total body workout featuring a combination of postures inspired by ballet and other disciplines like Yoga and Pilates. Exercises include isometric strength training (holding your body still while you contract a specific set of muscles) combined with high reps of small range of motion movement. (Includes use of light hand held weights.) 45 minutes.

Gentle Glow: is ideal for members seeking to improve flexibility and range of motion in a class that stresses a pain-free approach to building muscle, better balance, and better cardiovascular endurance. Warm Water Pool. 45 minutes.

Group Strength: will strengthen all your major muscle groups with a high-rep weight training workout. Using an adjustable barbell, weight plates, free weights and body weight, Group Strength combines squats, lunges, presses, curls, balance and core work with functional integrated exercises. 55 minutes.

HIIT: High Intensity Interval Training is an exercise strategy alternating periods of aerobic exercise with recovery periods combined with overall body conditioning 45 minutes. HiIT Express (30 minutes)

Pilates: improves flexibility, builds strength, and develops control and endurance in the entire body with an emphasis on alignment, breath, core strength, coordination and balance. 45 minutes.

Senior Fitness: is designed to increase cardiovascular function, strength, range of movement, core and balance. 45 minutes.

Spinning: is an indoor cycling organized form of exercise with a focus on endurance, strength, intervals, climbs and recovery using the revolutionary Keiser bike. Measure your mileage, caloric burn and overall watt usage on the computers on each bike (Express Spin is 30 minutes). 45 minutes.

Yoga: the ywca offers a diverse tapestry of traditional Hatha yoga. Sunrise Yoga—Namaste to start your day! 55 minutes. (Sunday, 10:30 am Yoga runs October 1—May 20.)

Zumba: remains one of the fastest growing dance fitness crazes around combining low intensity and high intensity moves for an interval style, calorie burning dance fitness party. 55 minutes.
