

## **Code of Conduct to prevent the spread of COVID 19**

In the best interest of the safety of our members and staff, we have instituted the following Code of Conduct for members using our facility and for the YWCA Greater Newburyport:

### **Our Commitment**

No employee will be allowed to come to work if they, or any person with whom they are living shows signs of Corona Virus or has tested positive for COVID 19.

YWCA will minimize the number of people allowed in the building at any one time.

YWCA will minimize (but not completely eliminate) the number of surfaces which need to be touched.

YWCA will provide you with as much separation from others as possible.

YWCA will provide you with EPA approved sanitizer and instructions to be used on equipment in the fitness center.

YWCA will sanitize all contact points (door handles, pool chairs, locker room benches) after closing and as frequently as possible throughout the day (excluding fitness equipment which will be sanitized at the end of each day).

### **Member Responsibility**

Members must exclude themselves from participating in any group exercise class or entering the facility if they have COVID-19 until they have been cleared by a medical professional or after 14 days of self isolation the last three of which were symptom free.

Members must exclude themselves from participating in any group exercise class or entering the facility if they are experiencing ANY of the symptoms of COVID-19 for a minimum of 14 days, the last three of which were symptom free.

Members must exclude themselves from participating in any group exercise class or entering the facility if they have traveled to another state in accordance with the Massachusetts Travel order for a period of no less than 14 days. ([Massachusetts Travel Order](#))

Members will wear masks at all times except when unsafe in the pool.

Members will engage in social distancing while in the facility and in group exercise classes.

Members are responsible for signing up for facility usage through Community Pass and arriving no earlier than five minutes prior to their scheduled time and leaving the building at or before their allotted time.

Members may sign up for one fitness activity a day (pool, fitness center or group exercise). This is subject to change as we evaluate usage (applies only to classes at the YWCA).

Failure to comply with these measures will result in revocation of membership.
