

YWCA Greater Newburyport presents: A Conversation with Shantelle Castle

**Unconscious Bias: Unlearning through Awareness,
Education and Action**

**Date: Thursday, February 4th, 2021
6-7 pm via Zoom**

Shantelle Castle began her career with social work four years ago at Justice Resource Institute, and has since received her MSW from Boston University. Shantelle has completed extensive training in racial injustice, and has provided numerous trainings for local organizations.

Please join us for this conversation with Shantelle, where she will discuss her experience in the Black Lives Matter movement and lead participants to understand what unconscious bias is and how it impacts our thoughts and behaviors.

Please register using this [google form](#) . You may also call the front desk to register at 978-465-YWCA (9922).

Zoom Link will be sent out to all registrants the day before the event.
